**EXHIBITOR SPACES AVAILABLE AT
2010 PORTNEUF VALLEY COMMUNITY ENVIRONMENTAL FAIR**

The 2010 Environmental Fair is shaping up to be a great event with over 70 activity and information booths registered to date, but there is still room for more exhibitors.

This year the Fair is scheduled for April 24, 2010 from 11:00 a.m. to 3:00 p.m. at Optimist Park in Pocatello (next to City Hall). There will be a real Wall-E, well water nitrate testing, cell phone recycling, windmills, recycled crafts to do, free food, live music and much much more.

Local businesses, non-profits and school/scout/youth groups that would like to be part of this event are invited to submit an application. All exhibitors must have an activity/display or product to sell with an environmental focus. Hands-on activities are a plus, and exhibitors should plan for a large crowd. Last year over 3500 residents attended this FREE community event.

Applications are available at www.envirofair.org and must be received by March 31, 2010. For more information, please contact Hannah Sanger, committee chair, at hsanger@pocatello.us or 234-6518.
