Tuesday, August 17, 2010, chip sealing will resume on Stanford Avenue (Terry to dead end), Memorial Drive (Bonnevillle to Martin Luther King Jr. Memorial Drive), Vista Drive (Center to Via Venitio), Via Venitio (Vista to dead end) and Tierra Vista (Vista to dead end).

The general reminders for all of these areas remain in effect. Parking is restricted in each area beginning at 6:30 a.m. to allow residents time to move vehicles. Crews will work from 7:00 a.m. each day until 5:00 p.m. or until the work is complete. There will be no parking allowed on the street from 6:30 a.m. until 5:00 p.m. Flaggers will be on site to direct traffic in the construction area, but motorists should expect delays and use alternate routes when possible to avoid travel in these areas. There will also be a lot of loose chips, and motorcyclists should use extreme caution.

Chip sealing should be completed on Tuesday, August 17, 2010. However, in case of bad weather or unforeseen problems, the schedule may need to be changed. Crews will finish the work as quickly as possible.
