STREET OPERATIONS DEPARTMENT MILLING AND PAVING PROJECT

Terry Street Project to begin August 30, 2010 and continue through August 31, 2010

The City of Pocatello Street Operations Department will begin milling and paving Terry Street, from 19th Avenue to University Drive, Monday, August 30, 2010 and continue through Tuesday, August 31, 2010. Work will begin at 7:00 a.m. and continue until 5:00 p.m. each day. Traffic will be detoured and flaggers will be on site to direct traffic around the construction area. Motorists should expect delays and use alternate routes. Please avoid travel in the area. No parking will be allowed on the street from 7:00 a.m. until 5:00 p.m.

Residents should expect delays and may want to park vehicles out of the construction area and somewhere they will be able to access them while work is being done. There will be times that access to and out of the area will not be allowed. Crews will finish the work on Terry Street as quickly as possible.

We appreciate your understanding, patience and cooperation. Please contact the Street Operations Department at 234-6250 if you have any questions.
