CITY CREWS BEGIN TREE MAINTENANCE PROGRAM THIS WEEK
Free Firewood Will Be Available For Citizen Pickup

As a part of the Tree Maintenance Program, City crews have begun to remove trees and other debris from a variety of locations around Pocatello. The process will continue over the next couple of weeks.

Tree branches of a burnable size will be taken to the wood salvage lot south of the Pocatello Zoo/Ross Park area on South 2nd Avenue. Citizens are welcome to remove wood from the lot for firewood use on a first-come-first served basis.

Please contact Justin Armstrong, Interim Water Superintendent, at 234-6174; or John Sigler, Senior Environmental Coordinator, 239-6983 for more information.
