

**POCATELLO ROAD CLOSURES AND TRAFFIC REPORTS**  
**For Week of 11/24/2011**

**STREET OPERATIONS DEPARTMENT**

- **Normal Sweeping Schedule:** Monday-Westside  
Tuesday-Eastside  
Wednesday-Northend  
Thursday-Fairway/ElRancho/MonteVista

**Traffic**

- ITS (Contractor for the City), will continue doing the annual striping of various city roads.
- City Crews will be painting crosswalks in various locations throughout the city.

**Street (Weather & Equipment Permitting)**

- **Garfield** – Mile and Pave the area where the Water Dept has replaced the water main line.

**WATER DEPARTMENT**

**Main Line Project: N. Garfield – W. Greeley**

Crews will work from 7:00am to approximately 4:30pm, Monday through Thursday to replace water main lines and fire hydrants. Construction will require portions of the street to be closed while crews are working and motorists can expect delays or detours in the area. Every effort will be made to allow local access to the properties, however there will be periods when access is restricted while the crews are digging. At the close of each day access will be restored to all properties.

**Service Locations:**

None Reported

**\*\*Traffic will be flagged through the construction area.**

**ENGINEERING**

**IDAHO TRANSPORTATION DEPARTMENT**

## CONTRACTORS

### **Syringa**

Contractors will be installing fiber optic lines.

- Pole Line Rd – Quinn to Garrett Way
- Garrett Way – Pole Line to Gould

Expect lane closures and possible traffic delays. Avoid the area if possible.
